Seed Donation Form

The Kalamazoo Seed Collaborative welcomes donations of clean, dry, open-pollinated seeds from community growers. Please fill out this form for each variety and batch of seeds you would like to donate.

Plant Type (tomato, zinnia, etc.):

Variety Name (Ruby Gold Tomato, Benary's Giant Zinnia, etc.):

Species or Latin Name (if known):

Year Harvested:

Where Grown:

Are these seeds open-pollinated and non-GMO? ☐ Yes ☐ No ☐ Unsure

If applicable, what method did you use to prevent cross-pollination from other varieties of the same species? (Isolation by time or distance, physical barriers, hand-pollination, etc.)

Additional information you would like to share, for example: Where did you originally get your seeds for this variety? What special characteristics does this plant possess? Do you have tips for growing this plant successfully?

Do you have a story about these seeds you would like to share? If so, may we contact you?

Would you like to receive the Kalamazoo Seed Collaborative e-newsletter? ☐ Yes ☐ No

Email:

Phone number (if this is the best way to reach you):

Your Name:

Thank you for sharing your seeds with our community!
